Wallpack Multi-Watt Selectable 25W-80W

SPECIFICATIONS

Lifespan
50,000hrs

Operating Temperature
-40°C - +45°C

IP65 rating

HOUSING

- Heavy duty die cast aluminum housing w/ powder coated bronze finish
- Shatter and heat resistant borosilicate glass lens
- Corrosion resistant housing and hardware
- Silicone rubber gasket
- 1/2" coin plugs for conduit
- Ingress Protection IP 65

CERTIFICATIONS

**PHILIPS
LUMILEDS**

ELECTRICAL

- Voltage range 120 ~ 277 VAC
- ETL, CE, FCC & RoHS Driver

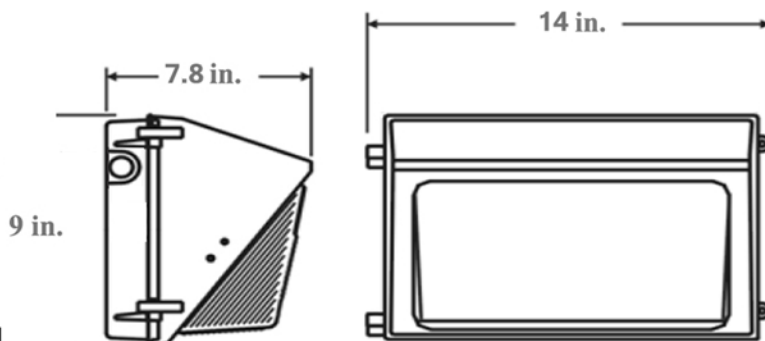

OPTICAL SYSTEM

- Operational Lifetime: >50,000 hrs
- 25W, 40W, 60W, 80W multi watt adjustable
- 3500 / 5600 / 8400 / 11,200 total lumens
- 80 Color Rendering Index (CRI)
- Day White 5K color temperature
- 120° beam angle
- High impact, shatter proof glass lens
- Instant on capability
- High quality heat sinks for temperature control

MOUNTING

- Template cast for mounting over a 4" recessed box, or used with 1/2" surface conduit

DIMENSIONS

Weight: 9 lb
